

# FISHING LEDGES

According to Clinton J. Keith

**HADDOCK** on sandy or muddy bottom between Eleazer's and Faunce's ledge; Indian Hill over Manomet Life Saving Station; Monk's Hill over Gurnet Light or Cordage Stack over Duxbury Pier Light.

## OFFER LEDGE:

Indian Hill out by Manomet Point; Faith Monument Clear of Gurnet Head to be on shoal part; have whole of Indian Hill out by Manomet Pt.; (HMJ used to say have Indian Hill out by Manomet Hill enough to drive a cart between them.)

## FAUNOE'S LEDGE:

Indian Hill over high water line at Manomet; A little north of line of Cordage Stack and Duxbury Pier Light; Faunce's Ledge extends No. and So. and has about 10 fathoms over it.

## ELEAZER'S GROUND:

Indian Hill in the saddle of Manomet; Cordage Stack over 1st or 2nd Plum Hills from South End or Cordage Stack over No. edge of grass on Gurnet for So. End of Ledge; Duxbury Meeting House over High Pines for north end of ledge.

## PLUM HILLS LEDGE:

Indian Hill in saddle of Manomet; Duxbury Pier Light out by the Gurnet; A small ledge half way to Faunce's Ledge.

## OUTER THUMB CAPS:

Hoted Pilgrim out by Rocky Hill; Cap'n's Hill over north part of high land of Gurnet.

## MIDDLE GROUND:

Standish Monument over trees on Clark's Island; Hotel Pilgrim out by Rocky Hill; Hotel Pilgrim Range is correct for all 3 Thumb Caps; the Middle Thumb Cap has about 16 fathoms over it.

## NUBBLES:

Standish Monument over red-roofed house on Saquish; easterly edge of High Pines out beyond the Gurnet; or Indian Hill in the saddle of Manomet; this is the shoal part of Nubbles which extends NE & SW to Cole's Hole.

## COLE'S HOLE:

Green Harbor cupola, just outside Gurnet Light; beach pavillion clear of Rocky Hill or using older marks: Indian Hill in or just inside saddle of Manomet; Standish Monument over red-roofed house or old Burgess House on Saquish; Cole's Hole is 22 or 23 fathoms deep and muddy; it's southeast edge is only 14 to 16 fathoms deep.

## HOUSE LEDGE:

Gurnet boarding house over 2nd cottage from north end on Gurnet; keep inside of range of Manomet Pt. and Gurnet Bell Buoy.
